

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Investigation Division

FROM : Chief, Liaison Section

SUBJECT: Possible Sources of Information in Contacts Program

DATE: March 12, 1948

In carrying out the security functions under the proposed Contacts Program, it appears that it will be necessary to widen the scope of our coverage of Governmental files to a considerable extent. At the present time, we normally make checks against the following files:

Department of State
 Chief, Special Agent
 Passport Division
 Visa Division
 Foreign Activity Correlation

Department Of the Army

Intelligence Division
 Adjutant General's Office

Department of Navy

Office of Naval Intelligence
 Naval Service Records
 Bureau of Naval Personnel

Federal Bureau of Investigation

Civil Service Commission

Investigations Division
 Service Records Division

House Committee on Un-American Activities

Immigration and Naturalization Service

In addition the files of other Government Agencies are frequently reviewed when it appears that they will contain information of interest; e.g., the Treasury Department, the War Assets Administration, the Department of Agriculture, etc.

In order that the proposed program may be effectively carried out it is believed that it is necessary to establish and maintain liaison with
